I am a UX/UI Designer skilled at optimizing work processes to enhance user experiences and delivering products that are engaging and intuitive to use.

Work Experience

05/2020 — 09/2020 **Design Intern, Fashion Politique Ltd, London, UK**
- Managed 3-4 graphic edit projects per week that included: drawing sketches, coming up with color combinations and layouts resulting in high quality work
- Improved the readability of text, banners and images on the marketing website by selecting readable typefaces and sizes
- Remotely delivered research reports by following the mentor's instructions on Trello

05/2019 — 09/2019 **Graphic Designer Intern, Lamula Nassuna, London, UK**
- Applied Illustrator skills for designing merchandise such as custom goody bags which resulted in goody bags production and sales at the Berlin Exhibition
- Collaborated with the Creative Director and Graphic Design Manager to develop design concepts
- Assembled final presentation material for printing as needed

Education

09/2020 — 04/2022 **Diploma in Web&App Design, Langara College, Vancouver**

Key Courses: UX/UI Design, Raster & Vector Graphics, Project Management, Advanced Graphic Techniques, Communications for Web and App, Content Management Systems, Audio/Video Production, HTML/CSS

09/2016 — 06/2019 **Bachelor's Degree in Textile Design, Bath Spa, UK**

Key Courses: Digital Printing, Photoshop, Research & Communication Practices

Volunteering

01/2022 — 04/2022 **Graphic Designer, TEDx Langara College**
- Created marketing materials including brochures, infographics, and logos for a reach of 400 people.

01/2019 — 04/2019 **Assistant, Kristian Aadnevik, London, UK**
- Prepared the area for the Kristian Aadneviks fashion show, by placing goody bags on chairs and decorating the runway
